

JANZEN FAMILY FARMS 100% GRASS-FED BEEF

ADVANCE PURCHASE ORDER FORM – SPRING/SUMMER 2025

Name:

Date:

Address:

Phone:

Email:

We are currently prioritizing advance orders for eighths, quarters, halves, and whole animals. We have either the Farm or Locker option for pricing/handling. Please choose one:

_____ **Farm Purchase:** Some people prefer for JFF to deal with the processor on their behalf. In this scenario, you order from us, you send your payment to us, and we deliver to you. The bulk discounts are as indicated, below. Delivery (within a reasonable distance) by JFF is included in the price.

___ Eighth (5% off list prices plus tax*)

___ Quarter (8% off list prices plus tax*)

___ Half (12% off list prices plus tax*)

___ Whole (15% off list prices plus tax*)

*Our full list prices (designed for smaller orders at the farmers market) are indicated on our website. As an example, a whole animal typically yields about 475 pounds of meat, costing \$3,750 (including taxes and the 15% discount off list prices), or approx. \$7.50/pound. For a detailed example of the prices, cuts and weights for a sample animal, please see our “Cuts, Weights & Prices Profile” on our website.

_____ **Locker Purchase:** Other people prefer to deal with the processor directly. In this case, you may purchase a half at \$4.30/pound hanging weight, or a whole beef at \$4.00/pound, plus 5% Marion County sales tax and processing costs, which are paid directly to Peabody Sausage House. Processing costs for a whole animal typically range between \$700-\$750, depending on your instructions, and half that for a half. In this scenario, you must confirm availability with us first. Then you submit your instructions, deposit and final payment to butcher to Peabody Sausage House (tel. 620-983-2160), and you pick up your order there as well.

___ Half

___ Whole

Before sending in this order form, please email us to determine availability, as supply is limited. To order, you should send this form and a deposit of 50% of the estimated final price. Checks should be made out to Janzen Family Farms. We also take credit and debit card purchases via Square.
